Announcements for

Friday, February 23, 2018

The Character Counts Pillar of the Month is Caring. Be compassionate, kind and considerate. Be thankful and express gratitude for what people do for you. Help people in need.

Congratulations to the 44 new members of the National Junior Honor Society! Names are now posted on the NJHS bulletin board in the main hallway. A huge thank you to the 128 NJHS members who turned in first-semester community service logs. Together you donated almost 1,000 hours of service to our community! Your names are also posted on the NJHS bulletin board. If you do not see your name and believe you turned in your log, see Ms. Hart in room 264. If you didn't turn in your log yet, you still can!

Students it is your responsibility to help keep your campus clean. Look before you leave and make sure you take all of our trash with you. Together we can make sure our campus looks its best.

Teachers, now please choose a student to lead your class in the, "Pledge of Allegiance".
